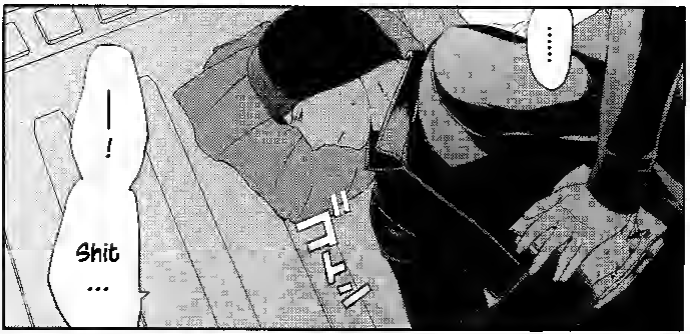
Chapter 16 Sand And Water <1>



ヲオオオ

Yahagi-san.
ゴォオオォ
ゴォオオォ
It's just as you said.
I've been tailing Makihara Ei.
He's gotten into something weird.
What?
Go ahead and tell me.

Maki-
hara was
chasing
after
a van
on his
bike.
Then he parked
in the Mitaka
residential district
And went into an
apartment building.
Then
there was
the sound of
a gunshot.
He left his bike there,
Got into that van,
And is now heading
somewhere else.
Something
is wrong.
He's with
several men.
Keep on
watching
him

Itou-chan!

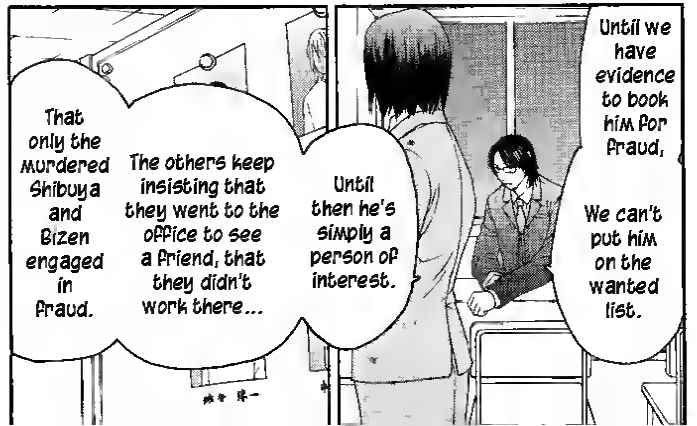
My plan of changing into sneakers when going out
Has been a success!
Wa...
You look terrible...
Are you alright?

We've now confirmed the identity of everyone
Whose fingerprints we found in the office.
Except one person.

The most important one, who left that bloody hand print, isn't among them.
And who isn't here is...
The person who came and went to that office
Makihara Ei...



Until we have evidence to book him for fraud,
We can't put him on the wanted list.
That only the murdered Shibuya and Bizen engaged in fraud.
The others keep insisting that they went to the office to see a friend, that they didn't work there...
Until then he's simply a person of interest.

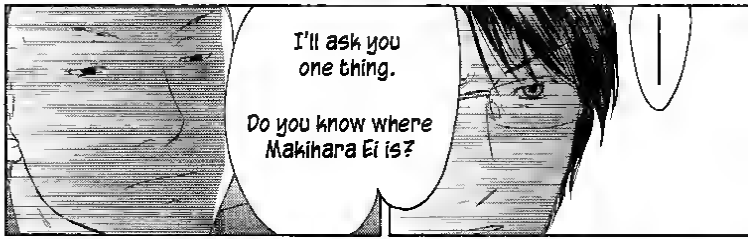
There wasn't a register book in the office or in Shibuya or Bizen's house either.
Without that register book, it'll be rough trying to grasp the flow of money.
Today, I'll try to wring as much as possible out of the guy we got for interfering with a public official and assault,
But it'll be tough to make a case out of it.
Itou-chan.
How about we go fishing for info from the Shuueikai higher-ups?
DOWNHEARTED
Eh!
Is it alright for me to go too?
They're a dangerous bunch.
I wouldn't want them getting close to me.
I want to go!!

Hey,
Yahagi.
!
Maeda, I think?
Is he out with the PIU?
You're alone today, that's unusual.
Where's that spindly fellow who's always with you?
You've brought a cute one along.
Please introduce us.
Oh My ...
Oh
Isn't that Hosaka-san.

This is Detective Itou,
Our new member.
This guy is Yahagi.
Nice to meet you, Detective Itou.
... Nice to meet you.
Yahagi- You've got trouble in your organization,
Haven't you?
They're getting killed off one after the other.
Who did you piss off?
What are you talking about?
Don't hide it, I already know.
Murder isn't something to stay calm about
Two cases in a row.
It might turn into three or four cases -
Then it'll be a total loss of face for the Shuueikai.
Your source of funding might dry up too.

We're the police, we have info from the scene
You get it, right?
How about we trade some info for our mutual benefit?
You're quite a go-getter, Hosaka-san.
But ...
Haven't you given up yet?
Even after what happened to your wife?

!
カッ



I'll ask you one thing.
Do you know where Makihara Ei is?

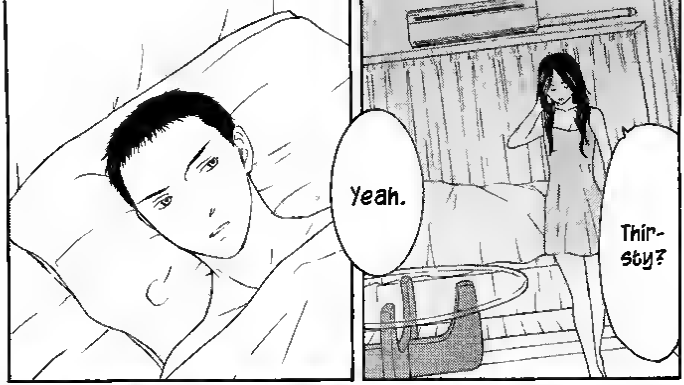
Who's that?
Your methods are crap.
If anything happens, we won't be saving your ass.

GRIN
Is it alright for an ally of justice to say something like that?
Let's go, Itou.
Yes.
Bye-bye, Itou-chan.
Itou-chan, you too should-
Be careful with speed.

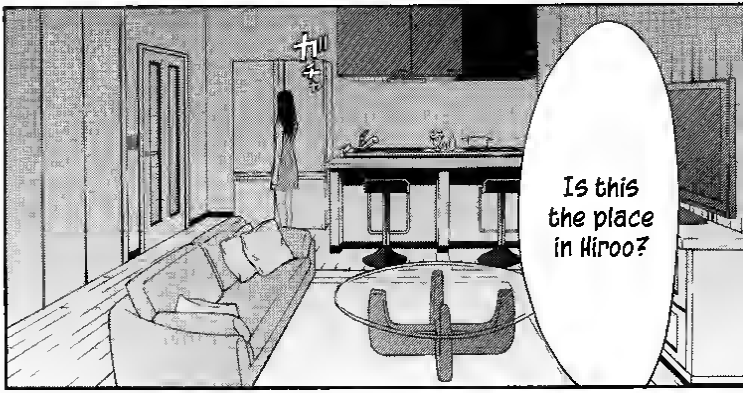
That guy.
He knows something about our suspect.
He didn't want to exchange information.
I guess we should watch them for now.
Hosa-ka-san ...
Hosaka-san.
Itou-chan.
Go home for today.
You smell like kitchen garbage.
Eh!?
Even if you're on watch, go take a bath and change clothes.
y... Yes!

Hey.
MMM—
Why are you sleeping here with me?
I'm just sluggish after transfusing 400 cc's of blood to you.
So you even knew my blood type.
That's not true. I'm O negative, so I can transfuse blood to anyone.
Because we didn't know your blood type, I, the only O negative here, couldn't refuse to donate 400 cc's to you.
Besides, this is my bed.

It's just because a veterinarian doesn't keep human blood.
You had a veterinarian see me ...
Your ribs stopped the bullet.
You got lucky.
What about Shiki?
And that brat?
Shiki-san said he'll take the boy with eyeglasses to his apartment.
But I heard...
This isn't the first time.
In the first case, when you killed the company president,
You didn't kill his daughter who witnessed it, and are keeping her confined.
So he
Talked.
About how she wanted to join in?
And about her strange power too?
She's an interesting girl, I'd like to meet her.
Ah, also,
Yan cleaned up your blood at the scene too.



Yeah.
Thir-sty?



Is this the place in Hiroo?

You invest-igated?
Before I accepted the job,
I tailed you.

Nakagawa Erika.
An employee at the OSJ Bank.
Lives together with her mother in Den-en-choupu.
Her late father is the former OSJ Bank president.
His daughter,
As her secret trade, is a liaison with hitmen.
Here.
Some pain killers as well.

I investigated too.
Ouch ...
You're originally from Tohoku.

Shut up.
But you don't have the accent.

Hey!
Wait ...
You!
I have a hole in my stom-ach!
But it's alright, isn't it?

I get arou-sed.

Huh!?
You see, I can find out things about people by touching them.
Ah. You must be surprised.
Sensei is a hitman, but
That's because he needs money for his ill sister.
Plus, he only kills bad people.
.....
Sensei took care of my father and saved me from there.
Because of that, my father, who did lots of bad things,
kept me locked up in the basement for ten years.

It's useless ...I just don't get it.

I have to watch him...
Ah, I see ...

You think I'm gonna eat that?
These people ...Something's wrong with their heads...
I'll leave it here.
What are you going to do with me?
You'll probably kill me anyway,
So why then...?
I want you to tell me about Bizen.

In front of the other customers.
You can probably see a bit of the shadows behind the blinds.

Yes.
There isn't any movement there right now,
But I'M certain Yahagi knows something about the perpetrator.

Even if that's the case, for pro hit men...
It's weird to take a prisoner into an apartment.

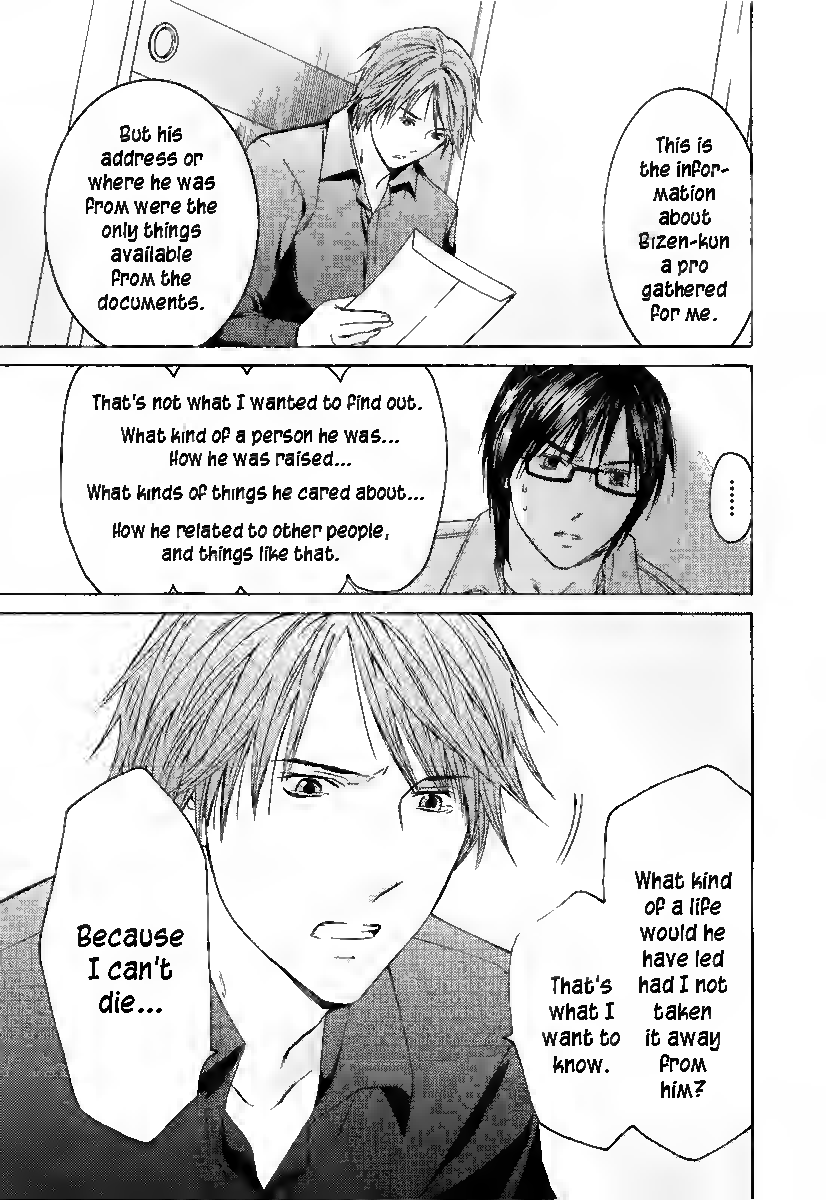
I can't die yet.
I need to earn enough money for my sister, who had kept on working while raising me until she fell ill, so she can live her whole life on that.
That's why I want to know about Bizen-kun.



This is the information about Bizen-kun a pro gathered for me.
But his address or where he was from were the only things available from the documents.
.....
That's not what I wanted to find out.
What kind of a person he was... How he was raised...
What kinds of things he cared about...
How he related to other people, and things like that.
What kind of a life would he have led had I not taken it away from him?
That's what I want to know.
Because I can't die...

It must be to see his wife...
Ugh

Did something happen to Hosaka-san's wife?
There's a rumor...
Drugs
Made her not quite right in the head ...

Please ask someone else.
.....
No one
Would talk to me normally
Except for Hosaka-san.
Two years ago, Hosaka-san was put in charge of the Shuueikai investigation.
He created a team of 10 people and went after the Shuueikai.
At that time the Shuueikai used drugs to force women into prostitution.
A pretty cruel method.
A few of those women died.

Hosaka-san struck against that scheme and broke it apart.
He sent some Shuueikai members to prison.
And then, one day
Hosaka-san's wife
Disap-peared for a week.

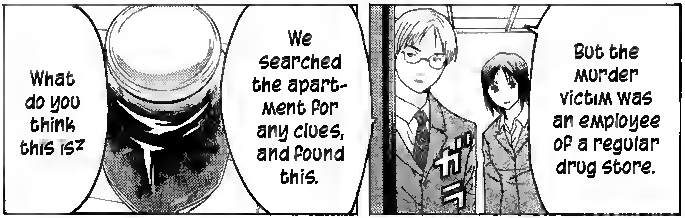
After one week she was taken into custody in Shinjuku.
The life had been drained out of her due to a drug over-dose.
She did remember being taken somewhere by a man,
But she didn't know who the person was.
.....
Oh no...
That's when Hosaka-san left the team and was put in charge of training new recruits.
.....

Hey.
Sorry for disappearing.
!
Ho-saka-san...
They haven't made any particular moves.
I see.
I'm sorry, but Ogawara-san from the first section is calling me.
Itou, come with me.
Y...
Yes.
Kodama.
Can I leave this to you?
Yes.
Thanks.
I'll see you around.
ピッ

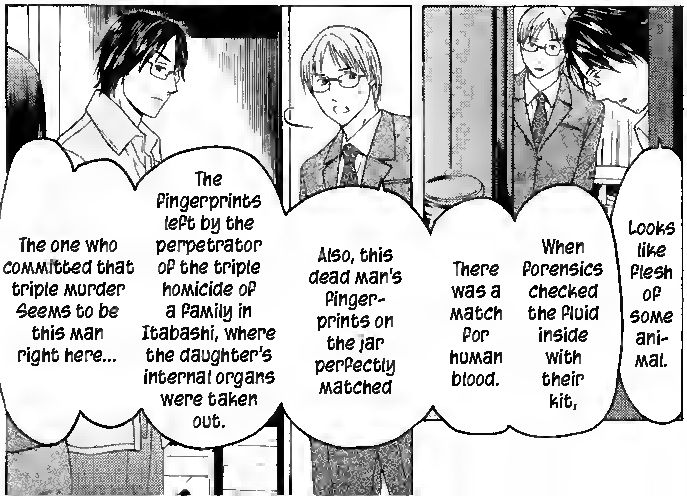
.....
Hosaka-san, where are we going?
Mitaka.
There was a murder.
Apparently they want me there.
Ogawara-san.
POL

Hello.
Please come in

This is execution style.
Seems like the work of a pro.
There was a report of a gunshot-like sound in this area last night around 10,
And then, this morning, this corpse was discovered.
Yeah,
But there's no bleach container anywhere in the apartment.
.....
It stinks of bleach.



What do you think this is?
We searched the apartment for any clues, and found this.
But the murder victim was an employee of a regular drug store.



The one who committed that triple murder seems to be this man right here...
The fingerprints left by the perpetrator of the triple homicide of a family in Itabashi, where the daughter's internal organs were taken out.
Also, this dead man's fingerprints on the jar perfectly matched
There was a match for human blood.
When forensics checked the fluid inside with their kit,
Looks like flesh of some animal.

Hosaka-san, do you have any clues after seeing the scene?
Any signs of a pro hitman, or Yakuza..? If so, which organization?
If that's the case, Then who killed this man?
If that's the case ...
Ama-zing.
But the corpse doesn't have any traces indicating there was a fight.
Both hands are uninjured and clean.
I'm sure the perpetrator erased the traces of his own blood.
He was probably injured here.
.....
He's off today.
He caught a cold or something.
Maaan, at such an important time too!!
Where's Kuzumi today?
Nothing but mysteries!
What's going on here?
Yes!
That's right!!
His head has been smashed,
But no bullet entry wound.
He wasn't killed with a gun.

Ogawara-san.
There's a bike outside that's been parked there since last evening.
!?
Apparently, the local residents haven't seen that bike before.
We looked into it, and it was a rental.
The one who rented it was Makihara Ei, 20 years old, from Machida.

Eh...
Why...
I don't know...

Something is going on here...

It doesn't seem like I'll be able to move today or tomorrow.
I see ...
You should-n't overdo it.
I can't let it affect my job starting Monday.
Let's finish him off next weekend.

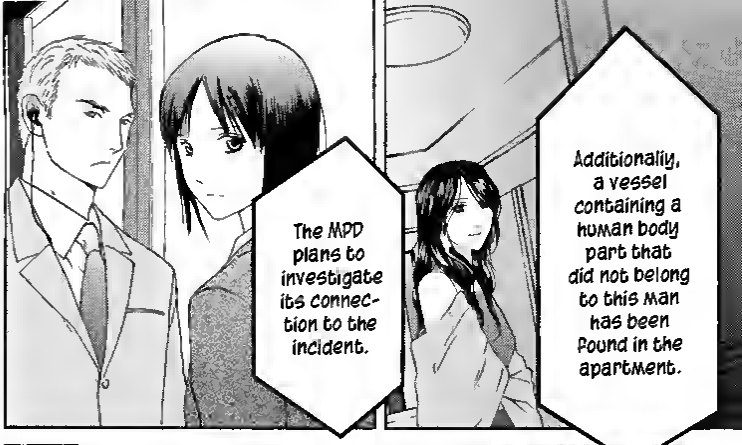
A man's corpse has been discovered at an apartment in Mitaka.
The man's head was covered with something cloth like.
He was found collapsed, with blood flowing from his head.
Chapter 19:
To Save Ten Thousand People <I>
Oh no- It's not that par-
I wonder where Mitaka is-
The MPD is treating it as a murder and has commenced an investigation
The deceased man lived in the apartment.
He appears to be Minakami Youichi-san, a drug store employee. We are rushing to confirm his identity.
Yeah ...



The MPD plans to investigate its connection to the incident.
Additionally, a vessel containing a human body part that did not belong to this man has been found in the apartment.

Mitaka, they said..?

Don't they have a more appropriate expression for times like these?
Why?

Thank you.

See you.

Ku-zumi,
You don't look good.

Have you really recovered from your cold already?
Yeah ... Sort of.
I heard you found what might be the uterus of that girl from Ibabashi?
That's right.
As well as Makihara's bike.

Maki-hara Ei's bike?
Right.
Where?
Up the road about 50 meters away. It was left there the night before the corpse was discovered, and is still there unclaimed.
Kuzumi.
Don't you think there's a strange connection here?
A company president connected with the Shuueikai is murdered.
A con artist under the Shuueikai umbrella is murdered.
I can understand these two...
Even if the triple murder in Ibabashi
And this drug store employee murder are connected.
Somehow, the drug store employee murder and the con artist murder are connected too.
Although, the bike is the only thing connecting them.

What do you think is going on?
...No idea.
What do you think, Hosaka-san?
I don't have a clue either, But it seems Makihara Ei holds the key.
I have lookouts at the Shuueikai office and in places Makihara has frequented.
Since I have no proof that Makihara was involved in the incident, I can't put him on the wanted list.
I'm making it the highest priority to find Makihara.

Ex-cuse me.
Yes?
Is that the apart-ment building where the murder took place?
Yes, it's full of policemen even now.

Chapter 20:
To Save Ten Thousand People <II>

Who's the man who lives here?
When is he coming back?
.....
Hey!
It seems he's a teacher.

Huh?
The hitman is actually a teacher. He's gone on a school trip starting today. Supposedly, he'll be back in seven days.
.....
Is this for real...?
集英高
A teacher ...
School trip...
I can't believe it... That kind of a guy is a hitman ...
What should we do?

If a teacher disappears during a school trip, it'll cause a commotion.
We have to wait until he comes back.
I'll take a few guys and come over in seven days.
Until then, wait there with the girl as your hostage.

Haha
Alone with a girl for seven days
Doesn't sound bad.
Don't kill her.
We can use her too.
Yes.

While Makihara is there, tell him to show his face at the office.
I'll have him repay our favor.
Got it.

Makihara, you can leave now.
You haven't taken a bath in a while,
Clean yourself up somewhere and then go thank Yahagi-san.

Like a single butterfly flapping its wings in China and causing a storm in New York.

There are various expressions for this ...
Excuse me, Vice Principal.
Sometimes in the Amazon, sometimes in Brazil...
A slight error, with the passage of time, expands into a significant difference that cannot be ignored.
Huh?

Where are you going?
Although these are chaos mechanics that have nothing to do with life,

It was expensive to hire the pros. I'm taking the cleanup expenses from Shiki-san's fee.
I'm also deducting Kuzumi-san's treatment and drug costs.
Here's the whole payment for this time.

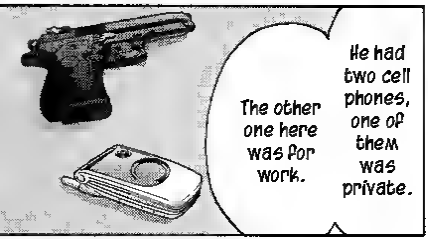
Thanks

You're Itsuki-chan, right?
Please, help yourself.
Nice to meet you.

.....

Would you like a donut?
And you are Makihara Ei-kun?
You've had it rough.

We have a problem.
Shiki, he emailed your home address.



He had two cell phones, one of them was private.
The other one here was for work.

Is that
The dead Yakuza's cell phone?
Yeah.

That's what a guy called Yahagi said on the phone.
They'll send a few men here in seven days.
Right.
So they've found out about me...
The dead guy is Shuueikai's Maeda-san.
He's killed people, and he's also done terrible things to women.

That's the thing.
What do you think the Shuueikai will do?
I know
About Yahagi too.
We've killed the president of a company that was a big source of income for them.
We've killed two people from a con group that was also a source of income.
On top of that, we've killed one of their members.
Either they'll decide to kill us all
Or use us for something until we're dead.

You too, Maki-hara.
What should we do?
There are five executive members of the Shueikai.
They've probably gotten their work cell phones through some backdoor channel.
What?
Even if one gets stolen, the police can't do anything about it.
Because you can't find the owner of a cell phone like this.
Shiki.
Where's the gun that Makihara had?

ゴト
This makes two of them.

.....
Don't tell me...
Maeda will be an assassin sent by some gang
To destroy the Shuueikai.
After killing some people involved as well as the five executives,
He will dis-appear.
This is not a bad story.
But when I realize that the police are staking out the Shuueikai,
The timing becomes difficult.

We'll kill
Five more people?

There are three of us here.
Not three.
I'm only the driver.
Not you.
It's Makihara.
You're being hunted by the Shuueikai too now.
If they find out that you killed Maeda, you probably won't get away with it.

Decide if you're with them or with us.
It's a good plan.
I'll ask if you can get paid for it.
.....
When would we do it?
Within the next seven days.
I'll collect some information first.
Shiki,
Are you okay with that?

.....
Shiki-san.
Kill or be killed, right?
Besides, it's for your sister's sake.
If you kill criminals,
The city will become cleaner.
You'll be saving people.
That has
Nothing to do with it!
Sensei ...

I got it.
I'll do it.
Do it...

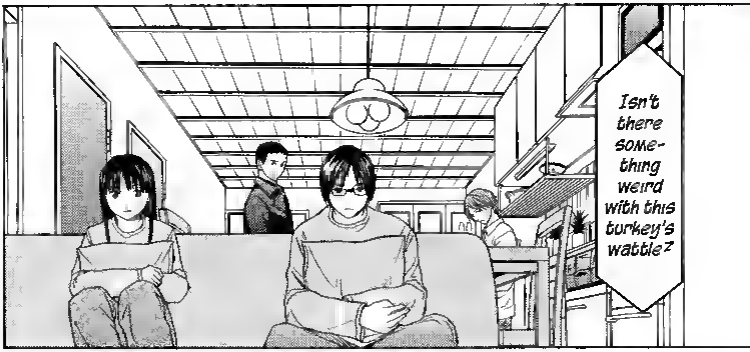
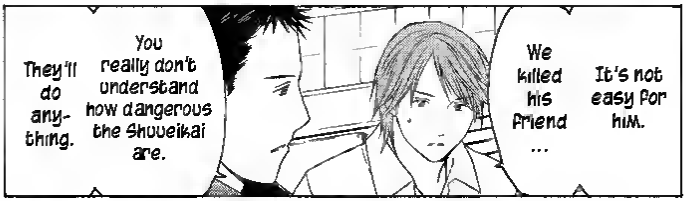
Mr. President. The pardon for the Thanksgiving turkey.
No helping it. It's a part of the president's job.



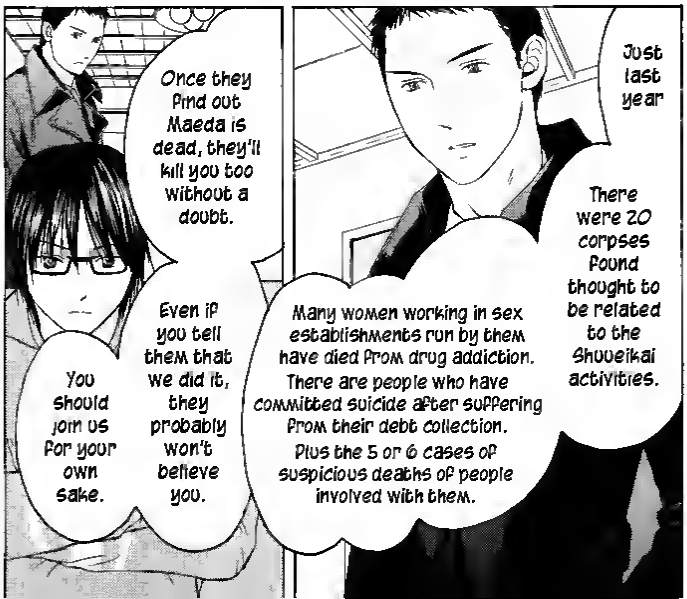
Isn't there something weird with this turkey's wattle?

He just watches TV with Itsuki
The whole day like this.
Ah, the turkey ran away!
Call the Secret Service!
Makihara.
Do you feel like joining us?

……



It's not easy for him.
We killed his friend ...
You really don't understand how dangerous the Shoueikai are.
They'll do anything.



Just last year
There were 20 corpses found thought to be related to the Shoueikai activities.
Many women working in sex establishments run by them have died from drug addiction.
There are people who have committed suicide after suffering from their debt collection.
Plus the 5 or 6 cases of suspicious deaths of people involved with them.
Once they find out Maeda is dead, they'll kill you too without a doubt.
Even if you tell them that we did it, they probably won't believe you.
You should join us for your own sake.

I know that.
Stop telling me that over and over again.
It's good then.
Shiki, I brought this.
ゴゴゴゴ
ゴゴゴゴ
Maeda kept them in his locker.
We should be okay with this.
We have to use guns to kill them?
We have to kill them as simultaneously as possible.
There are five targets. If you include the underlings, we have ten-odd enemies.
If they notice they're being attacked, they'll arm themselves ...
And then we'll be the ones being hunted down.

They think that you're away on a school trip.
So we'll kill them now while their guard is down.

There are other options beisdes joining the Shuueikai or these guys.

Like "Kill these guys and run from the Shuueikai"
Or "Kill the Shuueikai together with them, and then kill them afterward".
Here. Enjoy.

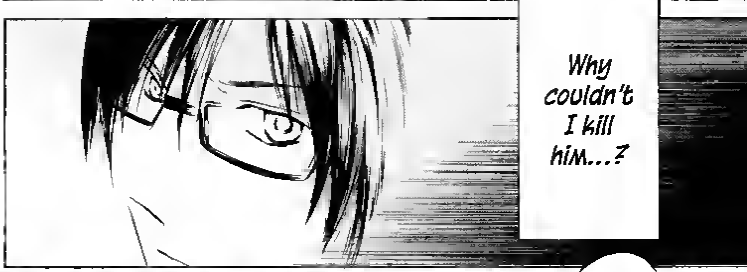
The targets are these five executives of the Shuueikai.

There is one condition.
Please kill all of those five in the Shuueikai office.

I knew you'd say that.
And Make it look like a dispute between fellow gang members.
That's right.
I did tell you that the police are staking out their office, right?
You did.
But do something about it yourself.
Your payment for each kill will be 10 million.
50 million total for the five of them. Split it up amongst yourselves.
.....
We have to perfect the plan. If gunfire is heard, the police will come running at once.
They might trace our car too.
So this is it.

This is how lightly they accept a commission to commit murder.
Like exterminating pests.
Shibuya,
And Bizen, and me...
Do they think of us as pests?
They're the lowest scum.
Who do they think they are?



Why couldn't I kill him...?

Thank you for saving me.

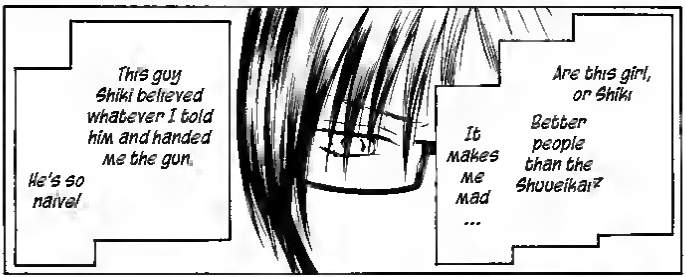
That's what I think too.
A contradiction.
That's right... I was looking down on the suckers we swindled, too.



Are this girl, or Shiki
Better people than the Shuueikai?
It makes me mad ...

He's so naive!

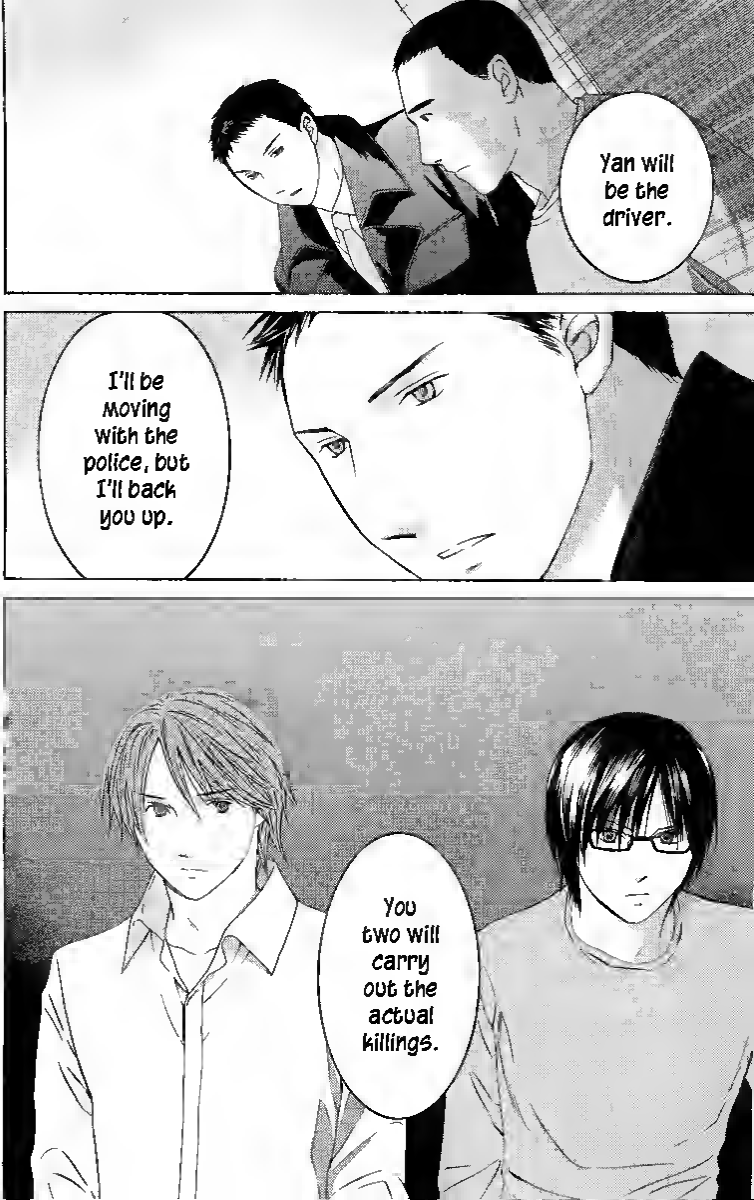
Uh, ... Yeah.
Of course ...
I get a cut too, don't I?
Hey.
Shit!
It makes me mad ...

Mami.
Book: Bible
"Say not in thine heart, 'Who shall ascend into heaven?'"
"The righteousness which is of the law, that the man which doeth those things shall live by them"
You're reading
"Or, 'Who shall descend into the deep?'"
Mami.
I promise I'm going to catch those Shuueikai people.
I'll make them face the judgment of the law.

I promise.
I'll tell you when I arrest them.
"The word is nigh thee, even in thy mouth, and in thy heart"
"Whosoever believeth the Lord shall not be ashamed"
"For whosoever shall call upon the name of the Lord shall be saved".

So are we okay with this plan?

Shiki, There's no other way. I'm not in perfect shape yet.
Can we make a change ...?
I don't have any confidence that I can kill ...
.....
I'm fine.
I can kill.
We got it...
Even if you fail to kill,
Take away their cell phones.
Each one has to carry two of them, Collect them all.
Is that clear?
Even though there are five of them, we'll just shoot them up one-sidedly.
Most likely.
Alright, let's go with this. We execute it tomorrow.



Yan will be the driver.
I'll be moving with the police, but I'll back you up.
You two will carry out the actual killings.

I'll go buy cigarettes.
